

## Exporting Citations from CINAHL (EbscoHost) into EndNote

1. Open CINAHL and perform a search. Select citation(s) by clicking

2. To view all selected citations, select

3. Then click

**Export Manager** ?

[Back](#)

Save E-mail

Number of items to be saved: 2

Remove these items from folder after saving

Save

Save citations to a file formatted for:

Direct Export to RefWorks

Direct Export to EndNote, ProCite, or Reference Manager

Generic bibliographic management software

4. **\*IMPORTANT\***  
Uncheck the box for “Remove these items from folder after saving”. This will allow you to come back to your search results if you need any additional information.
5. Choose “Direct Export to Endnote, ProCite, or Reference Manager”.
6. Click Save.
7. EndNote should open automatically (unless you already had it open). You will be prompted to “Select a Library” to save your results.
8. Find the library you saved (example.enl) and click “OPEN”.
9. Your citations will be downloaded into your library.
  - a. **NOTE:** You will only see the citations you just downloaded. You will not see all references. Under the REFERENCES pull-down menu, select “SHOW ALL REFERENCES.”

**For more information please refer to the EbscoHost Directions.**
